

Accept credit, debit and eCheck payments in Macola.

An out-of-the-box payment integration that allows you to accept credit and debit card payments, send email payment reminders to customers, automate payment collections, and more—right within Macola. EBizCharge qualifies cards at the lowest rates, lowering your monthly processing costs. Easy installation and no development needed.

Benefits of EBizCharge

- ✓ Accept credit, debit, and ACH payments directly in Macola
- ✓ Automatically posts payments to AR and GL and marks invoices as paid
- ✓ Offer customers easy payment options and automate collections
- ✓ Qualifies cards at lowest rates so you pay less on processing fees

Run payments in these stages:

- ✓ Enter Sales Orders
- ✓ Accounts Receivable
- ✓ Outstanding AR

🌟 How it works

- ✔ Plug the pre-built EBizCharge add-on into your Macola account.
- ✔ No need to change your existing workflow. Create orders the way you always have.
- ✔ Start collecting payment on those orders from directly in your Macola.
