

Sample Leahy Consulting MRP Action Report with Pegging Data

Updated 12/20/18

This report is designed for manufacturers that are currently using or just implementing the Macola MRP software. If you are uncertain or do not understand the results of the MRP regeneration program, this report is for you. It is designed to be reviewed daily, item by item, page by page until you are confident of your MRP settings and understand the MRP regeneration results for each item. If this report is of interest to your company or for more information, please call us at (513) 723-8091.
